Nashville Bank's Stumb appointed CEO

Thomas S. Stumb, president of Nashville Bank & Trust Co., has been given the added role of chief executive officer in a move the bank said is part of its succession planning.

He replaces Don Thurmond, who remains executive chairman of the Nashville-based bank. Thurmond had been CEO since the bank since the bank was launched four years ago.

Nashville Bank & Trust also has three new board members. Stan Ezell is former president of Purity Dairies; Andy May is portfolio manager for Jefferies Asset Management; and Chris C. Whitson is a partner in law firm Sherrard & Roe PLC.
